

Remarks

Claims 1-18 were pending in the application when last examined, all of which stand rejected. Reconsideration is requested in light of the following remarks.

Claim Rejections – 35 USC § 103

Claims 1-18 are rejected under 35 USC 103(a) as being unpatentable over Applicants' admitted prior art Figure 3 in view of U.S. Patent No. 6,891,582 to Hwang ("Hwang").

Applicants respectfully traverse this rejection on the ground that Hwang is not a proper prior art reference under 35 USC §102. The subject application claims priority to a Korean Application No. 2003-41330 that was filed on June 25, 2003. The earliest publication date of Hwang is March 4, 2004, which is later than the priority date of the subject application.

A certified translation of the Korean Application No. 2003-41330 is submitted herewith, along with a Declaration by Young Woo Park.

Since Hwang is not a proper prior art reference, Claims 1-18 are now in condition for allowance. Please telephone the undersigned attorney at (650) 833-2121 if there are any questions.

Respectfully submitted,

DLA PIPER RUDNICK GRAY CARY US LLP

Dated: 2/21, 2006
